## DETAILED ACTION

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on April 7, 2006 has been entered.

### ***Allowable Subject Matter***

2. Claims 1 – 4, 8, 9 and 21 are allowed.

The following is an examiner's statement of reasons for allowance:

- The references of the Prior Art of record fail to teach, or suggest any obvious combination of the limitations discussed in the previous Office Action mailed on February 6, 2006, and further comprising the limitations of **(With respect to claim 1)** a further pipe cut into segments of preselected lengths and at preselected angles for surrounding and containing at least one of the exhaust pipe and the pipe segments thereof, and each of the header pipes and the pipe segments thereof; and with the surrounded pipe segments having a plurality of apertures spaced apart from one another substantially along their entire respective lengths; the

combination supplanting any need for a muffler in the automotive vehicle exhaust system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

3. The attached hereto PTO Form 892 lists prior art made of record that the Examiner considered it pertinent to applicant's disclosure.
